**Re: Officiating Services Fees September 2025 - August 2028**

August 31, 2025 marks the end of the current game fee structure. With the demands from the current and potential clients of the Calgary Basketball Officials Association (CBOA), to keep pace with current economic demands, and to bring our fees within line of other organizations of similar scope and service of the CBOA effective September 1, 2025 the Calgary Basketball Officials Association has increased its game fees.

To fill historically difficult time slots for weekday scheduled games starting before 5:00 PM, single games, and/or other times where the authorized representative of the CBOA deems it necessary, a game fee premium will be charged. This has proven successful to assign officials to these games and will continue to be applied.

Where games are scheduled to be played outside the Calgary city limits the Calgary Basketball Officials Association will continue to charge an Out of Town game fee. This policy applies to games and tournaments in the Rockyview and Foothills School Division leagues and schools, all youth club programs, and adult leagues. This fee is invoiced for games played in Cochrane, Airdrie, Chestermere, Strathmore, Okotoks, High River, and the surrounding areas of those communities. Games scheduled beyond the greater Calgary area are subject to a per kilometer travel rate as negotiated by an authorized representative of the CBOA.

The game fees collected by the CBOA compensate our members and the CBOA Assignor for the services they provide. In addition, the fees provide the CBOA the resources to invest in training our members to the national standards that members of the CBOA are required to obtain for their certification as a basketball referee. The CBOA hosts numerous educational meetings throughout the course of the basketball season, a clinic geared to the high school season, and many referees attend professional development clinics and camps throughout Canada and the United States to continue their own development as a basketball official.

Should you have any questions, please feel free to contact me via email.

Yours in basketball,

A handwritten signature in black ink, appearing to read "Ian Pollard".

Ian Pollard

President

Calgary Basketball Officials Association
